

St. Isidore School Cell Phone Permission Form 2017-2018

If a student needs to have a cell phone due to entering an empty house after school or for after school sports activities, permission from the principal must be granted and this form must be completed. NO STUDENT may have the cell phone on his/her person throughout the school day. Cell phones MUST remain OFF and in the student's locker until the end of the school day. The student may not use the cell phone for calling or texting parents during the school day. The school is not responsible for missing or damaged cell phones.

If a student is found to be using a cell phone or if it becomes apparent that a cell phone has been used during the school day, it will be confiscated and remain in the school office until picked up by a parent. The student's permission to keep the cell phone in the school building may then be suspended for the rest of the school year. Cell phones may be used at the Extended Day Program as outlined in the Extended Day Handbook.

Please complete this form, sign and return to Mrs. Collins. A copy will be kept in the school office for the 2017-2018 school year.

I request that my child/children: (please print name/s)

be allowed to keep a cell phone in his/her locker during the school day. I recognize that the school is not responsible for lost or damaged cell phones. We have discussed this as a family and the student/s understands that the cell phone may not be used in the school building or on school property until after the school day has ended. Use during the Extended Day Program will be according to the rules as outlined in the Extended Day Handbook.
