Dear Supporter of Education:

The children of St. Isidore Parish School need your help. The rising cost of education is preventing promising students from receiving a strong faith based education. To ensure the education of future generations, we are hosting a gala dinner with live and silent auction on February 24, 2018: *An Evening Under the Stars*. 100% of the proceeds will be used for school operations. Your donation will support our students' growing need for technology in classrooms, differentiated learning, scientific exploration, as well as day to day operations of the school.

Located in Bloomingdale, Illinois, St. Isidore serves more than 6,000 families of diverse backgrounds and cultures from more than 10 communities in the western suburbs. With a modest start of 2 teachers and 36 students in 1920, St. Isidore has educated thousands of students based on "Teaching the Heart of the Matter," helping students achieve their full academic potential while integrating a strong sense of community and service to others.

On behalf of the current and future students, we invite you and your business to provide us with a product, a gift certificate, or an experience we can feature in our live and silent auction.

This year's marketing strategy includes electronic bidding, reaching over 6,000 parish families. In exchange for your donation, and as a partner in education, we will feature your business to our parish families through the St. Isidore Gala website page with a link provided to your business, social media, our online auction site, as well as the parish bulletin.

We are grateful for your consideration and generosity.

Gratefully yours,

A handwritten signature in cursive script that reads "Cyndi Collins".

Cyndi Collins
Principal
