

January 2, 2018

Dear St. Isidore School families,

Thank you for your warm Christmas greetings and for your kind and generous gift. I will use the "Let Us Entertain You" restaurant gift cards for a special celebration. I appreciate your remembering me at this special time of year.

I pray that God continue to bless each of you and your families throughout the new year with everything that you need, and more.

Gratefully,

Father Jim
