Looking for a fun and educational summer camp for your young scientist? Check out Montini's X-treme Science Summer Camp, where young scientists will enjoy a week of scientific exploration, cool experiments, new friendships and lots of FUN! Campers will participate in a wide range of engaging activities from across the sciences, both in the science lab and outdoors.

Here is a quick look at *some* of the fun labs your young scientist will enjoy:

- Build a **rocket** with competitions!
- Create your own crystals, slime, and a unique airplane (competitions included)!
- **Forensics** (fingerprinting analysis, bite mark and tire track impression labs)
- Cool **chemistry** experiments and demonstrations

Enrollment is limited to 24 students.
