

Welcome!

We are thrilled you have chosen to make St. Isidore Catholic School your home. And we look forward to cultivating your family's faith journey through your commitment to St. Isidore Parish Church.

Our overall goal is to partner with our parents in the complete development of their student: academically, spiritually, and socially.

One of the many benefits of becoming a parishioner is the generous tuition subsidy passed down to our school families. To receive the parishioner tuition rate offered, we do require that our families are active parishioners of St. Isidore Church Parish and are committed to the pillar of Stewardship through: **Time, Talent, and Treasure.**

Our deepest desire is to empower you in the development of your child's faith formation, through your very example. Our biggest prayer is through these simple practices, the Holy Spirit would be alive and active in your family, shining the light of Jesus for the world to see.

We believe in the biblically based principle of first fruits. We honor our faith by going first and ask for your partnership as a parishioner in the same by trusting God in freely giving of your Time, Talent, and Treasure through the following acts:

- Participating in weekly mass services (in person or online) as a family,
- Serving in any of our parish and school ministries through your gifts and talents,
- Giving back to God each week through the Sunday offertory.

The latter is between you and God. We only ask whatever you choose to tithe, that it be consistent based on your giving schedule. Through these measures, our parish is committed to ensuring the cost of tuition may be made more affordable by subsidizing over 25% of tuition costs to our parishioner families.

Need further help? Please reach out to us at: youbelong@sicatholic.org

We are so glad you are here, where *You Belong!*
