✳ COMMUNION STATIONS

RESERVATIONS ARE MADE BY ROW USING AN ALPHA-NUMERIC CODE. FOR EXAMPLE, E₃ INDICATES SECTION E ROW 3.

Note: All pews are marked with blue tape lines indicating the useable space for seating that allows for safe distancing from anyone walking in the aisles. Each row is designated in our reservation system with its own seating capacity accounting for safe distancing. For example, *single seat*, *pair of seats for a couple (living in same domicile)*, *group of 3 (living in same domicile)*, *group of 4*, etc.
