

It is time to welcome Hymnals into our worship spaces once again!

We invite each parish family to consider making a donation to help with the purchase.

For each donation of \$30, you may design a nameplate for one of the Hymnals in memory of a loved one or in honor of your family name.

You may also choose to give a donation at any level, which will be used to purchase supplemental materials such as specialized Hymnals for the choir and musicians.

Fill out the form on the back of this page and enclose your donation. Return them together to the collection baskets or the parish office by Monday, February 5.

We have chosen to use the Gather 4th Edition.

- These Hymnals contain both music *and* the scriptural readings for the entire 3-year Lectionary Cycle.
- The selection of music in them reflects the authentic heritage of our church as well as a wide range of the best contemporary music in use today.
- These are high-quality books, which will each last for 10 years or longer.
- Purchasing hardbound, durable books will reduce paper waste, and it is much less expensive than purchasing paper-back missalettes which must be replaced.
